

iGRACIAS!

Thank you for your download

Paid or Free Assets you can:

Use it for any personal or commercial project, logo, branding, Web and App development; also end products for yourself or clients.

Assets “Free for Personal Use Only” you can:

Use it only for personal projects, logos, personal branding, anything you can imagen for you, is cool with us... but if:

You want to use it to make money:

you can get a commercial license, it's available at:
<http://hellodonmarciano.com>

I'll appreciate your support if possible, **your help goes a long way!**

In Any Case, Please do not:

Re-sell it/or redistribute it, I'll appreciate if you send them the link,
<http://hellodonmarciano.com>

Thanks again and be awesome!

The Standard License is not limited in time, once you buy it, you can use it as long as you want.
